Examples of Relevant Work

Selected Client Relationships

Private Practice

1994 - Present

Experience includes coaching and managing private clients and corporations. Provide leadership and excellent interpersonal skills, problem solving tools; including new innovative approaches to issues and conflict resolution, support, and guidance in all areas of coaching. Work directly, one-on-one, with individuals and corporations: Goal setting and performance strategies developed, implemented, maintained, and followed through to achieve excellence. Work in partnership with all levels of individuals to set goals that reflect personal and company policy and vision. Continuous facilitation with individuals and/ or team(s) requirements to ensure all are working in a manner that reflects the vision and standards of their dreams and goals. Teach alignment, and how to live, and feel great.

Set high goals, strategize with clients and coach clients throughout process to achieve outstanding motivated efficient performance, and to feel and experience their success and happiness. Develop and maintain positive personal and working environment and create new ways to problem solve and move client to their dreams. Coach individuals, companies, couples, adolescents and children. Have advised diplomats, national, and internationally recognized figures, and people of vast influence.
